# Table Cloths, Table Runners, Table Covers

Table cloths, table runners and table covers with customised advertising prints are well applicable to endorse the impression of festive events and campaigns at the point of sale.

The sturdy covers can be used to print your messages in high-resolution. They are always popular in bars and restaurants and guarantee positive feedback. Table covers for round cocktail tables are a high-class addition to any business event, gala or wedding party. Their sophisticated cover made of fabric is very elastic, slim cut and easy to mount. Table covers for folding furniture can be found in beer gardens, at company parties or large public events.

**Water-repellent finish**
To save the table cloth, a water-repellent finish is available. Liquids roll off the fabric – ideal for the use in the hotel and restaurant sector!
