Pallet Covers · Pallet Wraps

Pallet covers and wraps are among the quickest and most affordable solutions to showcase goods and products at the point of sale. It only requires a few simple steps to turn former euro pallets, boxes and cases or other items available into eye-catching space for advertising, sales and presentation.

Pallet covers and wraps can be ordered in several standard sizes (suitable for all common euro pallets) as well as in custom sizes. The pallets can not only be stacked but also placed side by side to enlarge the space for a special campaign.
