Deck Chairs

Wooden Beach Chairs are great for outdoor activities: barbeques, boats, patios, backyard, beach, or even camping! Customised graphics ensure that your chair is both comfortable and an efficient marketing tool. These beach chairs can be assembled in seconds with a flick of the wrist. Within a few seconds the beach chairs fold open, pull apart and that’s it – they’re ready! It is the perfect design for camping! Customised graphics ensure that your chair is both comfortable and an efficient marketing tool. These beach chairs can be assembled in seconds with a flick of the wrist. Within a few seconds the beach chairs fold open, pull apart and that’s it – they’re ready! It is the perfect design for camping!

Wooden Directors’ chairs are great seats for in a bar, at events, parties or even at the beach. The chairs can be used indoors and outdoors, and are both comfortable and stable. The space on the seat and backrest can be used to print your logo or customised graphics. Both the seat and backrest are exchangeable and washable.

The backrest of the chair can be printed on both sides, if required.
